Road Cleanup—Coming Up Again, in April!

The date for Spring Road Cleanup has been set for Saturday, April 19th, with rain date for Saturday the 26th. Leaves and branches that have accumulated since the fall cleanup can now be rounded up and disposed of. Most of you know to have debris separated in piles —leaves apart from branches/sticks not more than 2" thick in front of your property.

The day of the cleanup we will meet at the Clubhouse at 8:30 for coffee and assignments. Lunch will be served at noon in the Clubhouse. All are welcome!

Thanks,
Gail S. Chalfant

Don Kuhn Honored

On Saturday, February 9th, at the 3rd Annual Hearts and Hammers Ball, Don Kuhn received the Founder's Award, in recognition of his leadership in launching the new Morris Habitat for Humanity ReStore. This organization is successfully recycling donated building supplies, furnishings, and appliances, keeping thousands of tons of usable materials out of

landfills. With the help of donors, shoppers, and volunteers, the ReStore will become increasingly profitable and will generate funds to support the operating budget of Morris Habitat for Humanity. The ReStore was given an award for recycling in November at the 20th Annual Morris County Recycling Awards Dinner.

**Association Annual Meeting
Friday March 7**

Friday's TGIF will precede the annual meeting of the Mt Kemble Lake Association. Come and enjoy good food, good neighbors, and good information about what's happening in the community. Dinner at 6:30; meeting begins at 7:30.

Please be sure to send your proxies to the meeting in the unfortunate event that you will be unable to attend in person!

MKL Web Site

Check our Web site for photography, wildlife sightings, artwork, contact information, and announcements, thanks to Webmaster Terry Dwyer.

If you have a photo you'd like to see in the Newsletter, please send the file to Barbara Coe.

Beach Cleanup Date Set

Beaches and Docks Chair Don Kuhn has set Saturday, May 10th, for Beach Cleanup. Bring your rakes, wheelbarrows, beach shoes, etc., and join the annual rite of welcoming the new beach season to the Lake. Food and libation will keep the good work moving through the morning. Rain date will be the 17th—we don't require work in the rain while raking out our beach area!

VSR Dinner to be held in May

The crew of volunteer water meter readers will again be feted with their annual taste treat, courtesy of Bobbi Coulter and team. The dinner date is set for May 17th. New readers should contact Bill Manser to volunteer your services. Barring snowstorms and floods there's not much inconvenience involved in taking on this much needed service!

Clubhouse Rentals

If you are interested in renting the Clubhouse for an activity or private event, first call Bettina Bierly or Joyce Murray to clear the date. Then request the paperwork from Treasurer Bob Yingling. The completed application then comes to the Board for approval. Please allow time for this process before assuming that a rental has been approved!

**Thanks for
Your Concern!**

Bob and Maggie Gray would like to extend their gratitude to the Community for all the wishes and love they extended at the time of the deaths of Maggie's parents, Norman and Virginia Pancoast, who passed away in December and January. The Pancoasts were frequent visitors to the Lake over the past thirty-plus years and they will be missed by all who knew them.

Spring Event

Jane Kendall is chairing the spring Surprise Party with the Baumgartens. Contact them if you'd like to volunteer! Exciting party plans are evolving and the event is slated for April 12th.

Contact Barbara Coe if you wish to contribute to the newsletter.
