The Zalis family, including Eric, Montserrat, and Gideon, are on Primrose Trail in the former Kaplan home. And please welcome the Preislers, Alice and Simon, Albert and Oscar, on Beach Trail. Most recently, Phil and Peggy Connors and son Patrick have moved into the Standing home on Lake Trail West. Welcome, all!

Wednesday, **October 1**— An informal meeting about projects for the Water Company will take place at the Clubhouse at 7:30. All are invited.

Friday, **January 16**—The joint Annual Meeting of Lakeshore and the Association, as provided for in the recently revised bylaws, will be held.

In Memoriam: John Bradley

Mt Kemble Lake artist and former resident John Bradley passed away on May 23 at the age of 94 after a long illness. He had been in residence at Neshaminy Manor Nursing Home in Warrington, Pennsylvania, since moving from the Lake in 2005. He is survived by his wife, Jean, his son, William, daughters Suzanne Hoeffner and Nancy Wasson, seven grandchildren, and eight great-grandchildren.

John's art will long be remembered for gracing the walls of our Clubhouse as well as for his pen-and-ink drawings of the Clubhouse and the façade of the First Presbyterian Church of New Vernon. See the Mt Kemble Lake Web site for some of his art.

No Refuse , Please!

Grounds Committee chair Diane Bonar reminds you that the area behind the Community Garden is for disposal of leaves, clippings, and branches ONLY. Please dispose of other refuse through our garbage service or put it out for Community Cleanup the Monday after the Auction (September 29th). If you'd like to help out on this committee, give Diane a call at 425-2580. Thanks!

Water Company Committee

The Lakeshore Board is forming a committee to help develop the long term plans and priorities of the Water Company, as well as make recommendations for improvements. The committee will meet two or three times per year. If you are interested, please call Bill Manser at 425. 9285.

Pooper Scooper Reminder

Please be sure to bag dog waste along our roads to insure that it doesn't wind up in our Lake or downstream in the waters of Primrose Brook or the Great Swamp.

Also, if you see any non-residents walking their dogs on our roads, please remind them of this requirement! Thanks!!

Fireworks!

Whether or not you enjoyed the recent displays of fireworks at the Lake, please be reminded that the use of fireworks is illegal in New Jersey and thus is not permitted on Lakeshore properties.

Watch for Notice!

A flyer is coming out soon for you to volunteer your services for the Association Board and/or committees. Our community runs on volunteers. We welcome new members to our Board and committees!

Fall Road Cleanup Date Set

Gail Chalfant, Roads Chair, has set the date for Fall Cleanup on November 22nd. Plan to join your neighbors to clean up our annual leaf and branch accumulation before the snow flies.

Gail also thanks all the Summer Road Patrol volunteers for keeping watch on the after-hours activities on our roads and beaches!

Congratulations, Kathy!

Stop in to see Kathy Spero's new shop on Village Road in New Vernon, Collection Maison. Linens, bedding, bath and decorative accessories abound.

Boat Etiquette

Boats should be kept only at the side of the beach near the boat dock, not strewn across the beach. Also, any beach equipment should be removed DAILY from the beach area. Any things not removed will be thrown out or donated to the Auction.
