Beach Season Winding Down

It's been a good summer at the lake. While we needed two herbicide treatments to stop invading grass in the water, the algae situation was much better, just requiring one treatment.

Thanks to all for observing the Beach/Boats separator. The place was much tidier. For those boat owners who never use the boats they store at the beach, this might be a good time to think about 1) getting rid of your boat, 2) giving it to someone else who'd love to have it, or 3) donating it to the fire company.

Additional news is that the East Beach dock (yes, there is one – down the stairway next to the Scolnicks!) has been replaced. That job was a cooperative effort involving Bill Canada, Craig Curtis, and Jane and Terry Dwyer. Many thanks to them. The old water-logged dock will be cut up and put out for the annual cleanup.

The next major beach event will probably be watching the Mermaids take their annual January 1 dip!
 — Don Kuhn, Beaches & Docks

(Meanwhile, the Mermaids—shown above—are still swimming, and hope you are, too!)

Doggie Park Now Operational

All our doggie friends are enjoying the new dog park, which opened in August at our ball park behind the garden. The construction of the park was fully funded by donations with no cost to the Association.

If you would like to arrange another play-time, just call Nancy Barrett, Cassy Merenda, Diane Bonar, or Gail Chalfant to see if they can join you at a different time.

The pups are generally playing in the park at about 7:30 AM during the week and at 8:00 AM on weekends.

**Country Club Board
Election Results**

At the June 25th meeting, Colleen Roberts was elected to join the CC Board. Thanks, and congratulations, Colleen!

Roads Cleanup November 20th

Our summer season has come to a close and I want to thank the diligent MKL Summer Road Patrol for all the time and effort put forth. Many thanks to Bill Manser, the Burds, Qualbens, Sullivans, Chaney's, Heidens, Kuchlers, Densons, Merendas, Bonars, Baumgartens, Duffys, Edgars, and D'esterhazys. Thank you all so very much.

Please be mindful of our children now that school is open. We have many little ones about! (A bumper clop of little Lakers started Kindergarten this fall!)

A reminder that on Halloween, part of the hill on Primrose will be closed as in the past.

For the Road Cleanup, please prepare your own property ahead of time; that way the 20th can be devoted to Lake properties.

Good food for lunch again this fall.....Carl Bonar will be in the kitchen!!

Thanks everyone, I could not do this alone.

---Your Roads Chairperson,
Gail S. Chalfant

Check the web site for photos from past Road Cleanups to see how much fun we all have!

History Room Collection

As you consider donating items to the New Vernon Auction, consider what may be interesting memorabilia for our Mt. Kemble Lake History Collection. Anyone with items for the MKL collection is asked to call Joyce Murray (425 0646) or Chris Allyn (425 1246), who will be happy to pick them up, catalogue them, and add them to our displays!

Volunteers Wanted!

Watch for the announcement soon in your mailboxes requesting volunteers to serve on our Association Board for the upcoming terms of office. Among the posts we will need to fill are Beaches & Docks and Roads, both so important to our Community's well-being. Our thanks to Don Kuhn and Gail Chalfant for their excellent leadership in these posts over the past several years! Thanks also to our secretary, Nancy Priscu, for her years of service to the Association Board!

**Environmental Stewardship
Committee**

Thanks to Chris Allyn, Nancy Barrett, Joan Baumgarten, Jane Kendall, and Jody Mead for volunteering to work on this important Board sub-committee. Any others who wish to be involved, please let Barbara Coe know. We hope to meet early in the fall to plan our agenda.

Flu Shots for Seniors!

On Tuesdays Oct. 19 and Oct. 26, the Harding Health Department is offering free flu shots for Harding Residents, 65 years old and older. No appointments needed—just come to Kirby Hall Municipal Building between 9:00 and 11:00 am.

Dues Schedule Reminder

Treasurer Bob Yingling reminds residents that the Community dues schedules are as follows: Lakeshore Company: \$500 due in January and July
Mt Kemble Lake Association: \$925 due in March and September
Email Bob at mkltreasurer@gmail.com to receive your dues notices by email.
