New

Board Takes Office

See the sidebar for our newly elected members who have assumed the offices of Secretary, Treasurer, Beaches and Docks, and Roads. Please take note so you will be contacting the right people with your concerns in these areas. Austin, Joyce, Diane, Bruce, Rick, and I remain at our previous posts.

The community owes a debt of gratitude to the outgoing members of the Board: Nancy Priscu as Secretary, Bob Yingling as Treasurer, Don Kuhn at Beaches and Docks, and Gail Chalfant at Roads. They have discharged their duties well and left their posts in good hands for their successors! Thanks to you all!

Bobbie Coulter, Treasurer, asks for everyone's patience as she assumes the helm of our finances. Tim and Ruth look forward to the community's continuing volunteer efforts in cleaning up and maintaining our roads and beaches for the benefit of all. And thanks to Tawnya for assuming the role of keeping our records and our legal contracts up to date!

Community Affairs Chairperson,
Barbara Coe

Spring Road Cleanup Date Set

Save the date: Saturday, April 30, for our Spring Road Cleanup. Leaves and branches for chipping can be placed curbside for removal along with the material we rake and pull out of our community properties at the cleanup.

Please note that **NO materials are to be placed at roadside earlier than the week before the 30th** so they can be

removed by the Monday 5/2 pickup. Just as we are advised to remove cars from our roads for snow removal, so too must we not block our roads with any debris that could prevent safe access to the community by Fire, Police, and Rescue Squad emergency vehicles!

Also, if you have material that has not been placed at roadside by the time of the pickup, you are responsible for removing it yourself.

**Steven Kern
Remembered**

The community extends its condolences to Cheryl and the Kern children Lindsay, Brian, Cynthia, and Alex on Steve's sudden passing, January 10. The Kerns have been residents of Mt Kemble Lake since 1989.

Please see the memorial information in the **In Memoriam** section of the MKL Web site.

**VSA Volunteers to be Feted
May 14th!**

The dinner is complimentary for **VSA volunteers AND their spouses/significant others**. Please RSVP to the forthcoming invitation to let the chefs know how many will be attending.

VSAers look forward to this annual culinary treat by resident chefs Bobbie Coulter and Carl Bonar, especially when they are trekking through the winter's blizzards to do their weekly water readings! If you wish to join the VSA, contact Rick Barrett.

Dues Schedule Reminders

Special Meeting April 27th

Please save the date for a special meeting of the Association and Lakeshore to vote on the revised long-term financing plan discussed at the January annual meeting. Details of the plan are posted on the MKL Web site. Copies of the plan and proxies will be distributed before the meeting.

**Environmental Stewardship
Committee**

An "Invasives Walk Around" is being planned for a Saturday in spring. More details to follow.

Chi Running Program

The two-part training session takes place on March 5th from 8:30 am-12:30 and on the 13th from 8:30 am-10:30. See the Web site or contact Joan Fitzhugh at 425 9010 or joancarol@aol.com.

**Welcome, New
(and not-so new) Residents!**

Althos and Tina Anastasiades have moved into the former Staloff home on Lake Trail West. John and Sharon Krizko are residents of the former Negele home on Lake Trail East, and John McFayden is building the new home on the site of the former Kiernen house. Kelly Heller is in the former Jacobson home on Lake Trail East. Andres and Betsy Vaska have been here for awhile already, on Alpine Trail.

Welcome to all!

**Beach Cleanup (spring)
and Lake Lowering (fall)
Planned**

Save the date: May 14, for our annual Beach Cleanup. Join your neighbors for a morning of raking and camaraderie as we prepare for the swimming season at the Lake.

Ruth Chaney, Beaches and Docks Chair, is working to secure the permitting needed for us to lower the Lake in the fall. This lowering will give lakeside owners time for repairing docks and retaining walls. Apparently some have encountered muskrat damage and we're looking to remedy this problem!
