### Neighborhood Watch Reminders!

In light of recent reports of robbery attempts in Harding Township, please remember to keep a lookout for your home and your neighbor's home as well. If you are going to be away, alert a neighbor to clean out your mailbox and pick up newspapers, or cancel them with the post office and your news service. Homes that appear occupied are less tempting targets for potential thieves. If you see anything suspicious and can't contact your neighbor to check it out, please notify the Police Department!

**Parking reminders:** All vehicles should be parked on the **Lake side** of streets. Care should be taken to park **close to the sides of roads** so that emergency vehicles can pass by. Under **NO** circumstances should any vehicle be parked overnight on Lake properties, which include the Beach and Clubhouse parking lots. Overnight parking on any community roads should be discouraged, for safety reasons. It also goes without saying that fire lanes must be kept clear at all times!! The safety of all community members is a community concern.

**Road Patrol:** The Summer Road Patrol is monitoring our community roads evenings to help prevent abuses of our facilities. The beach "closes" at 10:00 pm so please adhere to that schedule. Also to avoid noise pollution in the summer months when windows are open, please keep the volume down on your stereos. Tim Lukacs, Roads Chair, is looking for Road Patrol volunteers, so give him a call if you can help. Volunteers sign up for a week at a time and do one patrol each evening after 10:00 pm.

**In Memoriam:  
Doris Bardush**

Long-time resident of Lake Trail West, Doris passed away on May 12. A resident since 1977, Doris retired from her work at St. Barnabas Medical Center in 1987 and then worked for the Morris County Board of Realtors just around the corner on Rte 202. Doris and another long-time resident, Estelle Betz, were among the original "Mermaids" of the Lake.

In lieu of flowers, her family requests any memorials be sent to St. Hubert's. (Please see the obituary on the MKL Web site.)

**Signs of Spring**

Marsha Heiden reported a persistent robin's attempt to nest in the clubhouse! The exercise group witnessed the poor bird's persistent attempts to fly into the window off the deck. A week later Joyce Murray solved the bird's dilemma by moving the gardenia tree outside onto the clubhouse deck. (It was warm enough by March 18th to make the move.) Apparently the bird was attempting to nest in the tree it had used last year but was barred from getting to it by the clubhouse windows.

**New Residents Arrive  
at Mount Kemble Lake!**

New arrivals on Lake Trail West are Fred and Mary Luberto at #10, Doreen Frasca & Thomas Mead at #22, Joe and Joanne Tesi at #40, and soon to arrive are Nancy and Michael Witwer at #38.

On Primrose, Wendy & Trevor Hamilton have purchased the former Gray home (#21) and Maya and Jens Luehring are residing at #79.

Welcome, neighbors!

**Beach Season Is Open!**

Beach tags have been distributed to members in good standing. Please remember to wear your tags at the beach and when boating on the Lake.

Ruth Chaney, Beaches Chair, reminds you that there is NO FISHING allowed at the Beach or East Side Dock! (See rules & regulations.) Also, any boat without the name of a current resident clearly marked on it will be removed and disposed of.

**VSA Dinner Celebrated May 5  
(along with "I'll Have Another"  
Winning the Kentucky Derby)**

The dinner featured a training session for new volunteers. If you didn't make the dinner and still would like to volunteer, contact Rick Barrett, Water Chair, to enlist!

Thanks to Bobbi Coulter for another sumptuous feast, and to the committee for helping to make it happen!

**Bud May Celebrates  
His 98th Birthday!**

Former Primrose Trail resident (and father of Cindy Manz) has relocated to an assisted living unit. His address is: Monmouth Crossing, Apt. 11 560 Iron Bridge Road Freehold, NJ 07728 (tel) 732 637-6226 He would love to hear from you!
