## Summer Is Winding Down

The beach is still open for intrepid swimmers and the gardens are heavy with their season's abundance, but clear signs of fall are swiftly approaching. **School** is open, so watch for children coming and going on our roads. **New neighbors** have moved in and more are to come. June's **Progressive Open House** introduced many of our newer neighbors to the community—Nancy & Michael Witwer, Joe & Joanne Tesi, Maya & Jens Leuring, and Bill & Joan Haynsworth. Thanks to the Barretts, Dwyers and Gail Chalfant for hosting the Open House!

On LTW, Doreen Frasca & Thomas Mead have moved in at #22, and Fred & Mary Luberto at #10. Trevor & Wendy Hamilton are new residents of 21 Primrose, and new neighbors Denise Mizerek & Patrik Dyberg will be moving from Basking Ridge to 67 Primrose in late September or early October. **Welcome to all!**

### From the Desk of the Treasurer

"We've been making good progress cleaning up our AR (delinquent dues), mostly through patience, good communications and mutual respect. But when all else fails we can and do use the full power of the bylaws and the Courts to protect the community.

Unfortunately, we have had to petition the Courts regarding a long-term outstanding account and will be involved in some legal initiatives in the coming months. No action is required from our members in good standing and we will provide an update at the Annual Meeting."

—Barbara Coulter,  
Treasurer

**Recent Bear Sighting**

Peter Richardson, 84 LTE, reported that his daughter spotted a bear on August 24th walking on Trail's End and into the woods behind the tennis courts. Be sure to monitor pets and young children, and secure garbage that may attract bears. We love our Nature, but at a safe distance!

**Sept. 13 Hearing for Septic Waiver**

The Merendas are appealing for a waiver to install a new septic system for their house. The hearing is scheduled for September 13. Neighbors are invited to attend—you may share similar issues in the future!

**Save the Date!**

Fall Road Cleanup is scheduled for Saturday, November 17. Details to follow.

**New Plan for Flag at the Clubhouse**

Diane Bonar, Grounds Chair, is having the flag pole painted. She also proposes to install a light that will illuminate the flag and allow it to fly permanently. This would eliminate our daily raising and lowering of the flag, which has proved problematic with volunteers' erratic schedules.

**New BarTables for the Clubhouse**

Joyce Murray, Clubhouse Chair, has purchased two new bar tables and had 6 bar chairs recovered for our bar lounge at the clubhouse. Check them out at the next TGIF!

**New Graduates from the Lake**

Among new Lake graduates from Madison heading off to college are Rachel Alvey—Drexel, Sally Curtiss—Washington & Lee, Aaron Davidson—U.SCarolina, Alex Kern—Quinnipiac, Carolyn McCabe—U. Richmond, Matthew Qualben—U.RI, and Meredith Sullivan—Elon. From Bernards High, Tom Limongello (N. Witter's son) is off to U.NH.

Harding graduates off to high school include Liam McCabe—Seton Hall Prep, Gregory White—Madison, and Chris Collier—Madison. Malcolm Mead graduated from 8th grade at Delbarton and will attend Delbarton upper school.

**Congratulations** to all, and best wishes for your educations!

**Neighborhood Watch Continues**

Harding Twp. Mayor Marshall Bartlett and Police Chief Kevin Gaffney remind residents to be on the alert to thwart the burglary ring that continues to operate in our area. A break-in in the Green Village area of Harding is the latest example of the threat.
