Holiday Open House Dazzles

Thanks to the talents and efforts of a committee including Davidsons, Halls, Hamiltons, Neigle/Whites, Priscus, and Zalis, led by Country Club officers Karen Sabol and Carl Bonar, the Community was treated to a lavish spread of hors d'oeuvres, from cheeses and crackers to shrimp and sushi; entrees such as pasta and meatballs, Zalis soup, ham, turkey, and a variety of salads; and desserts, including the rich array pictured above. The event culminated with the arrival of Santa Claus and singing of carols. Mt Kemble Lake welcomed the Holiday Season in style!

Chris Backshall and his workers picked up the debris and leaves within one and a half days to beat the rain.....a great job!

This ends my last year on Roads; I have really enjoyed my job and much of that involves the help that has been extended to me during the past four years.

I am most grateful to have had this opportunity and thank you.

My wish for each of you is a joyous holiday season.

Your Roads Chairperson,
Gail S. Chalfant

Generator Timetable

The construction work for our new generator is underway. Trench work begins December 11-13; trench inspections and pouring pad on the 19-20th. Electrical connections will be completed by Dec. 23. Gas connections will be in place Dec. 26-27. There will be an air pressure plumbing rough inspection January 2-3. Final inspections are scheduled the week of January 6.

Road Cleanup Accomplished

Another successful Road Cleanup took place November 23. Roads Chair Tim Lukacs thanks all who turned out to tame the mountains of leaves and branches that accumulated over the fall months. The follow-up luncheon provided a welcome reward for volunteers' efforts.

A Spring Road Cleanup will be held in April to spruce up the community once again.

In Memoriam

The Community is saddened at the loss of two of our members. Dave Molendyke passed away October 7 after a long illness. Dave and Jeanie have resided at the Lake since 1986 and raised their daughter Mollie here. Richard Monks died on November 7. Richard and Barbara had lived on Alpine Trail since 1975. Barbara is currently in a nursing home.
