### Farewell, Beach Season!

With the Fall chill approaching it's time to be winterizing boats by removing them from the water and storing them on the racks provided. A reminder that all boats must be labeled with a resident's name **or they will be removed and disposed of.**

**Halloween** is fast approaching, and we want our roads be clear for our trick-or-treaters. We will close Primrose to road traffic as we have in the past, and everyone is alerted to watch out for children on the roads.

A reminder **NEVER to park in the fire lanes** under any circumstances. The community also plans to put up NO PARKING signs in hazardous roadside locations.

### Board Volunteers Wanted!

Please let the Board know if you are interested in running for a position of leadership in our community. Self-nominations are welcomed! Drop off your name in Secretary Tawnya Kabnick's mailbox on Beach Trail.

We also need someone to join the financial review committee, which involves a few hours in one day to go over the books. Contact Tawnya or Bobbi Coulter, Treasurer.

### Fall Road Cleanup Date Set

Road Cleanup is scheduled for November 22nd this year. Roads Chair Tim Lukacs reminds residents **not** to pile leaves at roadside **until the week before.** And be sure your leaf or branch piles **do not obstruct the road.**

Residents can take their leaves to the ballfield area before road cleanup, if desired, but **no landscape companies are permitted to dump refuse there.**

### Generator Operational, at Last!

Final inspections and approvals for operating our new generator have been completed, and the unit has been up and “running” since early September—with hopes that we won’t need to be using it (weather permitting!).

Thanks to Water Chair Rick Barrett for overcoming the numerous obstacles for obtaining and installing this natural gas-powered generator so we will be assured of a continuous water supply regardless of future power failures.

### Our Clubhouse Is Newly Painted

Robert Edgar, Clubhouse Maintenance, reports that the Clubhouse exterior has been newly painted.

\*\*\*\*\*

### Grounds Maintenance

Joan Haynsworth thanks Ken Heiden for refurbishing the children’s playground equipment and George Kuchler for repairing the light on the flagpole. Your help is greatly appreciated!

### Board Requests Property Surveys

The Board requests all residents to submit a copy of their property surveys so that property lines can be clearly delineated. This is especially important where residents’ properties border community property, but in all cases is important where property lines are defined along road rights-of-way. Please request any new purchasers to notify the community when property is being surveyed, so markers or stakes can be installed at corners. Thanks!

### Missing Robert Plum

The Community extends heartfelt condolences to Gail Chalfant on the loss of Robert, who died suddenly on August 13th. A memorial service was held in Morristown at the St. Peter’s Episcopal Church and many residents attended. The shock of his sudden departure is still being felt in the community, and especially by Gail. Please keep her in your thoughts.

### Party Ideas and Volunteers Needed!

Our new Country Club Social Chair Wendy Hamilton has created a new email for Country club and Community announcements. Please email her at [mklcountryclub@gmail.com](mailto:mklcountryclub@gmail.com) or call her at 539-1029 to suggest or volunteer for an event at the Clubhouse. Joining a committee with neighbors is an enjoyable way to get to know each other and appreciate the benefits of our Community.
