### Road Cleanup Date Set

Save the date: **Saturday, April 11**, for Road Cleanup. (Rain date is April 18.) Let's hope we won't need a hair dryer to melt the snow away by then!!

It's time to emerge from our winter cocoons and rejoin the community! Volunteers are to gather at the Clubhouse at 8:30 for coffee and assignments. Bring rakes, tarps or whatever tools will be useful. After the morning cleanup we are invited to rejoin everyone for a delicious luncheon in the Clubhouse at noon.

Our new Roads Chair Ken Heiden will spearhead the effort and thanks in advance all who turn out to help. The pothole army will also be mobilizing shortly to repair the damage to our roads from the icy winter.

### Beach Cleanup Scheduled for Saturday, May 16

Ruth Chaney, Chair of Beaches & Docks, invites volunteers to join her at our annual Beach Cleanup. Bring rakes, shovels, wheelbarrows, etc., and join volunteers for a sandwich lunch on the beach afterwards. Ruth thanks all who come out to help keep our lake and beach clean, safe, and attractive.

### VSA Volunteers To Be Treated to Annual Dinner on May 16

Bobbie Coulter will again be providing an enjoyable evening to VSA volunteers and their spouses/guests. Please RSVP to Bobbie so she has a good estimate of numbers for the event. Non-volunteers, you don't know what you will be missing! It's not too late to join the VSA—contact Ken Heiden to enlist.

### Street Parking Hazardous

Residents are urged to **park their cars off our roads whenever possible** to avoid blocking access by fire department and other emergency equipment. At NO time should our fire lanes be blocked. We have had **two** emergencies in the recent past where fire equipment was delayed getting to the afflicted sites because of detours caused by parked vehicles.

### Dancing Feet Group to Continue?

The dance instruction group hopes to continue this activity in the future. If you are interested in joining, please contact Mary Luberto and/or Nancy Witwer to register.

Alison Maxwell is requesting help from all neighbors to raise extra cash for Harding Township School. Please be on the lookout for the 'Box Tops' token (shown above) found on hundreds of different grocery products. Clip them out and drop them off in Alison's mailbox (5 Lake Trail West), anytime, year-round. Each one is worth 10c and they soon add up. HTS is trying to raise \$1000 from Box Tops this year!! Alison sends her thanks to all those who are already clipping on behalf of HTS.

### Reminder, NO DUMPING on Community Properties—by Residents or by Landscapers!

Residents may bring their lawn refuse—leaves, sticks, prunings, and grasses—to the **designated area behind the garden**, but contracted landscapers are to dispose of their materials elsewhere. Our Community Road Cleanups in April and November are designed to keep our roads and community properties functional and presentable throughout the year.
