The Beach Beckons!

Our successful Beach Cleanup on Saturday, May 16, has prepared our beach for the summer swimming season. Beach tags have been distributed and you are requested to wear them and provide them for your guests to wear also. **Residents should challenge anyone swimming, fishing, or boating who does not have a current tag, as we are all responsible for the safety and responsible behavior of our residents and guests!** If anyone does not respond to your request to show a valid tag, feel free to call 911 and the Harding Police will back you up!

Ruth Chaney, Beaches Chair, oversaw the cleanup and provided volunteers with doughnuts, coffee, and a sandwich luncheon with beverages and dessert cookies. She extends her thanks to all volunteers—young and old—who came out to spruce up the beach and make it attractive and welcoming. The Goose Patrol is ongoing to preserve the beach area for people and not for the Canada Geese to nest (and poop!).

Road Cleanup a Success!

Ken Heiden, Roads Chair, thanked the volunteers who helped on April 11 to clean out roadside drains and rake away the surplus of leaves and branches in the community. Volunteers gathered at noon to a well-earned luncheon, prepared by Carl Bonar.

Ken is looking for Summer Road Patrol volunteers—call 973-425-0875.

VSA Annual Dinner on May 16

Bobbie Coulter and Carl Bonar braved a tornado high alert to provide a sumptuous feast for VSA volunteers and their spouses on Saturday evening, May 16th. The theme was Moroccan cuisine and featured a rhubarb mousse meringue dessert that was out of this world!

New VSA volunteers are always welcome—contact Ken Heiden to enlist.

Welcome, New Neighbors!

The Yinglings have sold their home at 12 Primrose to Tara Amaral.

The granddaughter of George Mysel, who built the house at 29 Primrose, has moved there with her husband. Tracy Mysel and Adrian Bowie are new residents, along with Rufus, their resident hound.

Alex and Lindsay Baydin have moved into the former Reinecke residence at 71 Primrose. Their two children, Laila and Emily, have joined the growing ranks of Mt. Kemble Lake Kids.

Jeff and Eileen McAleney are new owners of the former Jensen home at 41 Lake Trail East.

Welcome all, and enjoy the Lake!

History Party Features Mt Kemble Lake Information

The Lake Life Open House social on Sunday, May 24, brought residents, friends, and neighbors to view memorabilia from the past years at Mt Kemble Lake. Thanks to Lake Historian Chris Allyn for maintaining out History Room and collecting and displaying memorabilia. Thanks also to Joyce Murray for her work archiving party invitations, photos, etc.

Dancing to Continue at MKL?

Thanks to Mary Luberto and Nancy Witwer for organizing the past dance instruction events. Anyone interested in continuing this tradition can suggest planning a Dance Party to Wendy Hamilton, Country Club Social Chair.

Announcements of the TGIF/ Annual Meeting have been placed in your mailboxes. The TGIF starts at 6:30 and meeting at 7:30. Come out to celebrate our Community and suggest future events for our social calendar.

Attendees at the May 24 History Party were challenged to fill out a trivia questionnaire. Some of the questions were:

Who was the first female to hold the President position in the Community Club/Association and when? (Joyce Murray)

What is the oldest dated beach badge in our collection? (1975)

Where did the moose reside before coming to the MKL Clubhouse? (Witwers', formerly Van Kirk, formerly Casey home)

When did the original owners of MKL sell Lakeshore holdings to the property owners? (1950-51)

Why did some residents not attend the party? (No Excuses!!)

MKL, the Next Generation!

Box Tops Collection

Alison Maxwell is collecting Box Tops to raise extra cash for Harding Township School. Please be on the lookout for the 'Box Tops' tokens:

which can be clipped from their products.

You can drop them off in Alison's mailbox (5 Lake Trail West).

Street Parking Hazardous

A reminder that residents are urged to **park their cars off our roads whenever possible** to avoid blocking access by fire department and other emergency equipment. At NO time should our fire lanes be blocked. Emergencies in the recent past have encountered detours made necessary by parked vehicles in the road.
