Dec. 12, 7:30

### Country Club Board Members

President	Dave Clark
Secretary	Alison Maxwell
VP/Treasurer	Austin Brock
Bar Chair	Bill Haynsworth
Social Chair	Wendy Hamilton

### Mt. Kemble Castle!

James Bilos, son-in-law of the Heidens, has raised the bar on sand castles at the Lake! This was one of his many creations this summer, launching a challenge to all for future sandcastle creations.

### Chris Allyn extends "Special Thanks to a Special Place"

In the more than 35 years that we have been a part of the Mount Kemble Lake community, Gail and I have heard the phrase "Mt Kemble Lake is a special place to live" at least a hundred times. While we agreed (of course), recent events have reinforced for us just what goes behind the statement!

When I was diagnosed with a serious medical situation (continued, p. 2)

### Roads News

Ken Heiden, Roads Chair, wishes to thank residents for their patience and cooperation during the road repairs and resurfacing this summer. The roads now have a clean, consistent appearance and will be much safer in the winter.

Ken says people also seem to be driving more respectfully and observing our 25 mph speed limit. Thanks!

**Chris Allyn**  
(continued from page 1)

last November, we suddenly experienced a great deal of anxiety and uncertainty. The immediate and continuing outpouring of concern and support from the community made all the difference in helping us cope with the situation.

After several months of fairly arduous but successful treatment and recovery, I am happy to report that I am feeling well and almost back to normal. Again, the support extended both to Gail (my MVC—Most Valuable Caregiver) and to me (through your cards, e-mails, music, books, food, and in-person expressions of support) have helped us understand that we were not alone in confronting such a crisis.

With heartfelt appreciation, this is the “special place” in which we all live. Thank you,

—Chris Allyn

**Mt. Kemble Lake congratulates its recent graduates!**

Harding graduates include Brock Bierly, AJ Priscu, and Julia White. Julia and AJ will be attending Madison HS and Brock will attend Morris County Academy for Visual and Performing Arts.

Chris Collier and Gregory White graduated from Madison High. Chris will be attending East Stroudsburg University. Liam McCabe graduated from Seaton Hall Prep and will attend Richmond University.

Meredith Sullivan graduated from Elon University. Congratulations and best wishes to all! (Thanks to Ken Heiden’s reporting.)

**A New Driver Takes the Wheel!**

Scott Priscu won the driving lesson with Gil at the Memorial Day Party 2015, but didn’t get his driving permit until March 2016. Gil Fitzhugh was finally able to take him out in the car. They both had a blast — Scott was totally into it which is something to be said for a teenager... They drove around Harding, went to recycling, etc....he even hung out with Gil to try to fix the transmission. —Nancy Priscu

**No dumping permitted on conserved properties**

The Association Board has conducted a review of any encroachments on community properties. Community properties that have been placed in easement must be left in a “natural state.” That means **no dumping of leaves or other matter** on those lots.

Any plant materials to be discarded can be brought to the space behind the Community Garden for composting. Please contact Grounds Chair Joan Haynsworth for the code for access. Cooperation is needed so that our easements won’t be found in violation of the regulations.

**More New Neighbors!**

Elizabeth and Milton Hull are new residents of the former Dupre house on Primrose Trail.

Lou De Leon is renting at 33 Lake Trail West.

Welcome to the Lake!
