Association Board Meetings:

(now on 2nd Monday of the month)

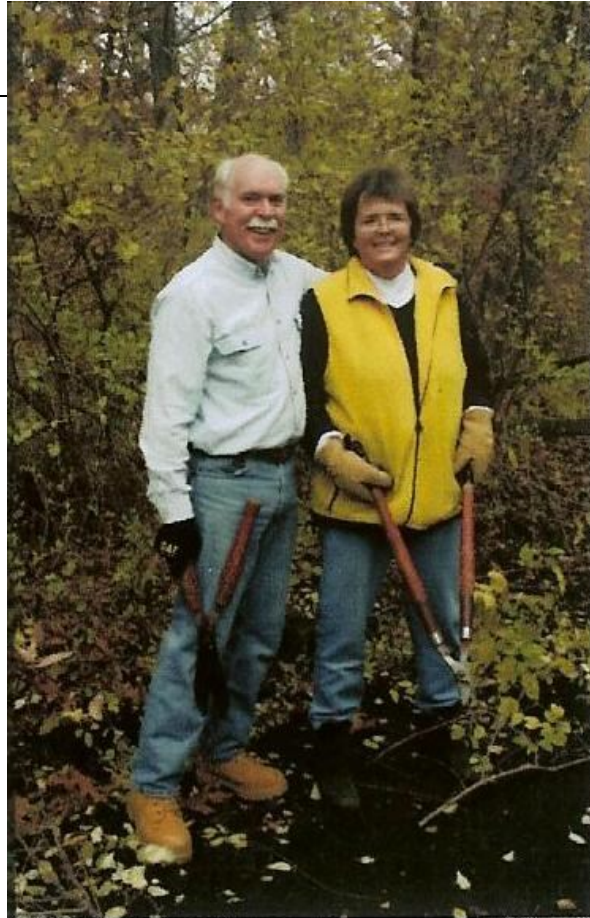

Apr. 10, 7:30

May 8, 7:30

Jun. 12, 7:30

Country Club Board Members

President	Dave Clark
Secretary	Alison Maxwell
VP/Treasurer	Austin Brock
Bar Chair	Bill Haynsworth
Social Chair	Wendy Hamilton

Your Association at Work!

Joyce Murray and Bob Edgar have been cleaning out the Clubhouse, identifying duplicate items. If these are not used they will be donated to the Fire Dept. Auction in the fall. Lynn Edgar has been sorting and cleaning the Clubhouse kitchen and is looking for a sofa replacement with Nancy Witwer. Tasks remaining: painting the clubhouse deck, cleaning the fireplace stones, etc. Volunteers welcome!

Roads Cleanup

Ken Heiden, Roads Chair, has set April 15 for Roads Cleanup Day. Please meet at the Clubhouse at 8:30 for coffee and assignments. Lunch will follow at noon.

Meanwhile, Ken asks those shoveling out their driveways not to shovel snow onto the plowed roads as cleanup becomes more costly to the community if snow builds up and icing develops after the roads have been cleared.

Lake Lowering in April

Ruth Chaney, Beaches Chair, has arranged for the Lake to be lowered this year for two weeks beginning April 15 so residents can work on their docks.

Work on the diving board will begin then, and Beach Cleanup is scheduled for April 22nd. Bring rakes and wheelbarrows to clear the beach area and rake out leaves and debris from the beach and swimming area. A picnic lunch will follow!

Condolences

Neighbor Andy Tsukamoto of Lake Trail East passed away suddenly on March 11th. The community extends their sympathy to his wife Jeannie, and their children Andrew and Amanda. Services were held on Friday, March 17, at Grace Episcopal Church in Madison.

The family asked that no flowers be sent but for those who wish, donations can be made to "Freehill Hogan & Mahar LLP-A Tsukamoto Trust" and mailed to Freehill Hogan & Mahar LLP, Attn: Peter McCarthy, 80 Pine Street, New York, NY 10005-17920. This trust will support meaningful and long-lasting charitable causes in Andy's memory.

Mt. Kemble Lake congratulates additional graduates!

Last May's Delbarton grads Malcolm Mead and Jack Kielty are now in their freshman years in college this year. Malcolm is attending Union College in Schenectady, NY, and Jack is at Notre Dame. Congratulations and best wishes for their continuing studies!

—Liz Mead

Borrowing Items from the Clubhouse

Contact Joyce Murray, housekeeper, if you wish to borrow items from the Clubhouse. The portable access ramp to the kitchen door is one item that has been temporarily borrowed. Items must be returned promptly and in good condition.

Tank Refurbishment Continues

The horizontal tank is still out of commission. The contractor has been delayed in his work due to an accident. Meanwhile, Bob is working with George Kuchler to obtain permits for bringing electric power up to the tanks.

Grounds Cleanup

Grounds Chair Joan Haynsworth reports that the debris in the area around the Dog Park has been cleaned up. The asphalt was ground up and used on the roads. Limbs, concrete, and construction materials were removed. This kind of material should not be dumped on Lake properties!

The fence around the Dog Park is in need of repair and money is set aside to pay for it.

Update on New Neighbors!

Walter and Patti Groff are working on their Lake Trail East home and hope to be in by summertime.

The Hulls' garage addition is a work in progress on Primrose Trail.
