Jun. 12, 7:30

Country Club Board Members

President	Dave Clark
Secretary	Alison Maxwell
VP/Treasurer	Austin Brock
Bar Chair	Bill Haynsworth
Social Chair	Wendy Hamilton

A Refurbished Diving Board for the Beach

A major overhaul of our beach's diving board was undertaken this spring. Lake water has tested safe for swimming. Board will be fully completed by July 4th!

You should have received your beach tags in your mailbox. Contact Ruth Chaney, Beaches Chair, if you haven't. Please be sure to wear yours whenever you venture onto Lake Shore property, especially the beach, and have your guests wear them also. This helps ensure our security and safety in the community.

VSA Dinner

Our Vital Statistics group of meter readers will be feted to their annual rewards dinner on Saturday, June 10. Everyone looks forward to this evening for excellent dining, great company, and overall good feelings!

If you are not yet a reader and want to join this elite group, contact Ken Heiden at 425-0875 to sign up. He will see that you are trained and put you on the substitute list, for starters.

Neighborhood Watch Alert!

Two recent incidents of thievery remind us to keep watch in our neighborhood!

Alex Conti reported that her husband's car was broken into and an I-phone stolen. Lindsay Baydin discovered two packages taken from front seat of her car, as well as two sunglass cases with a white and brown stella and dot pattern. Be on the lookout for any such items turning up in the neighborhood, and lock your doors!

Update on New Neighbors!

Welcome to Joseph Boqusky, our new neighbor at 13 Primrose Trail. Also welcome the Phillips family: Tom, Elaine and daughter Isla, residing at 40 Lake Trail East. I also learned that Sister Mariss, principal of the Assumption School, has moved into the former Fitzgerald home on Elm Trail. Welcome all, and enjoy your first summers at MKL!!

MKL Garden News

The garden has gotten off to a good start this spring. We still have plots available for anyone that would like one. There are extra tomato cages and wire for any of the gardeners to use. The tools are for the use of our gardeners. Please return them to the sheds when done. Please, no dogs in the garden.

I am looking for volunteers to help maintain certain areas around the lake. We need help keeping the dog park groomed and maintenance in the garden. A big thank you goes to George Burd for mowing in the garden but we need help keeping the unused plots managed.

If you see any dead trees on community property or would like to recommend a project you think would look nice around the lake please let me know. Email Joan or call: Jehaynsworth@gmail.com or 908-204-9043.

At Least One New MKL Graduate!

Congratulations to Kyle White on his high school graduation!

Safety in Our Community

Police investigators suggest that petty crime is very often perpetrated by the newly desperate. It is very often a symptom that someone has fallen prey to an expensive habit, such as drugs, alcohol, or obsessive gambling. We should all be vigilant about locking our cars and homes, having trespassers removed, watching for suspicious behavior from contractors, delivery men and other strangers. We should also be watchful for signs that someone close might be in need.

More information can be found online (e.g. <http://www.mayoclinic.org/diseases-conditions/drug-addiction/basics/symptoms/con-20020970> or <http://www.healthline.com/health/addiction>).

Our Lake has always been a caring community. This is a good time to be especially caring, to reach out and take action if you see someone who might need help.

Tank Refurbishment Completed!

The interiors of the water tanks have all been recoated and the three tanks are back in service.

Debris Maintenance

Grounds Chair Joan Haynsworth distributed a notice about new locations for depositing leaves and branches. Please utilize these new locations beyond the gate to the Dog Park. If you need the code for the gate, call Joyce Murray at 425-0646.

Save the Date for Country Club Annual Meeting and TGIF

Come to the Clubhouse on **June 30th** at 6:30 for a **FREE TGIF**, followed by the annual meeting at 7:30. Notice and proxies will be distributed shortly.
