<i>President</i>	<i>Dave Clark</i>
<i>Secretary</i>	<i>Alison Maxwell</i>
<i>VP/Treasurer</i>	<i>Austin Brock</i>
<i>Bar Chair</i>	<i>Bill Haynsworth</i>
<i>Social Chair</i>	<i>Wendy Hamilton</i>

Ken Heiden Brings the Mississippi to MKL!

July 4 Beach Party attendees were treated to the inaugural sail of Mt Kemble Lake's own paddlewheeler, which has been spotted occasionally during the summer. Ken's award-winning creation stole the show at the Party! Partygoers feasted on pulled pork sandwiches, homemade coleslaw, and brownie ice cream dessert treats, among other delectables. Thanks to the Mermaids for hosting a great party!

VSA Dinner

Our Vital Statistics group of meter readers were feted to another sumptuous rewards dinner on Saturday, June 10. Bobbi Coulter and Carl Bonar once again produced a memorable feast for attendees.

If you want to join the VSA (our volunteer water meter-readers group) contact Ken Heiden at 425-0875 to sign up. He will see that you are trained and put you on the substitute list, for starters.

Save the Date for Fall Road Cleanup

Ken Heiden has set the date of **Saturday, November 18** for the next Road Cleanup.

Come out with your rakes and shovels to clear drains and roadsides for the upcoming winter. Meet in the morning at the Clubhouse for assignments and join volunteers for the luncheon at noon that follows. We take pride in our community by sharing the work to keep it beautiful!

Our Newest Neighbors!

Welcome to Clay Bogusky, our new neighbor on Primrose Trail, in the former Smith home. Meris Larken and Lisa Molinari now reside in the former Fitzgerald home at 53 Primrose Trail. Welcome also to Nicole and Pete Johnson, new owners of 79 Primrose. And Tara Amaryl has rented her home to Bryan Vince. Welcome all, new neighbors!!

MKL Grounds News

If you see any dead trees on community property, especially any near your own properties, or would like to recommend a project you think would look nice around the Lake please let Joan Haynsworth, Grounds Chair, know.

Email Joan at Jehaynsworth@gmail.com or call: 908-204-9043.

Please note that the Association does not reimburse you for tree removal you undertake on your own.

Beautiful Lake Visitor

Photo by Joe Tesi

Thanks for Our Upgraded Beach!

Those who have spent time at the beach this summer should be grateful for all the work that Ruth Chaney's Beach Committee has put in on the facilities. In addition to the new diving board, the Beach Cleanup volunteers raked out and carted away lots of accumulated plant debris, thanks to the lake lowering in the spring. Water quality has been pleasant and clear throughout the season as a result.

Our Lake community depends on volunteers working together to make it a better place. **Thanks to Ruth** for all her work organizing the beach effort this year, as well as for the past several years!

Water Tanks Now Electrified!

Electric service to the tanks will run pumps that will keep water circulating in the tanks, reducing the possibility of freezing in the winter and helping to maintain the quality of the water all year round.

Thanks to Rick Barrett for his work keeping our water systems running!

Debris Maintenance

Grounds Chair Joan Haynsworth distributed a notice about locations for depositing leaves and branches. Please utilize these locations beyond the gate to the Dog Park. If you need the code for the gate, call Joyce Murray at 425-0646.

Road Cleanup Procedures

Leaf piles may be placed curbside beginning **the week before the Saturday, November 18** Road Cleanup date. Please don't put them out before this, so as to keep roads clear. They will be removed during the week after cleanup, beginning Monday the 20th.
