MKL's 2nd Paint & Sip Has a Valentine's Theme

MKL's Country Club celebrated Valentine's Day Saturday, February 10th, with its second Paint and Sip event. This time attendees included families' children as well as adult artists, and the results were visually heartwarming!

If you have ideas for Clubhouse events, contact Social Chair Wendy Hamilton for help in putting together a plan!

In Memoriam

Our Community has lost a beloved long-time member with the passing of Phil Van Kirk on January 30th. He was predeceased by his wife Mary in 2009. His daughter, Larisa VK Gjivoje, is currently a MKL resident on Lake Trail East.

Condolences go to Larisa, her husband Davor, and their two children Vedran and Elle Mary, and to son Greg Van Kirk

and family Alison, EvaLuna, and Hudson of New York. Condolences are also extended to Jean Molendyke, Phil's partner in recent years, on Trails End at MKL.

A memorial service was held on Saturday, February 17, at the First Presbyterian Church of New Vernon, followed by a reception in Mendham. In lieu of flowers, the family requests donations in (cont;d)

Our Newest Neighbors!

Welcome new residents Lisa Nickerson now renting Cherie Sweeney's house on Lake Trail West. Welcome to the West side Jeff and Eileen McAleney who are now in the Davidson home on Primrose.

MKL Grounds News

If you are interested in signing up for a garden plot please let Nick Stires, Grounds Chair, know. Email Nick at nrstires@gmail.com, preferably before March 10.

Phil Van Kirk, continued

Philip N. Van Kirk's name to Morris Habitat for Humanity at morrihabitat.org/donate and/or to The Centro Explorativo Education Center in Guatemala (founded by Greg) at centroexplorativo.org.

The Van Kirks moved to the Lake on Lake Trail West in 1977 with their two children and dog Sneaky. Over the years they helped to transform our Community into the vibrant and concerned Community it has become. They will forever be sorely missed.

Goose Patrol

The newest member being considered for Goose Patrol is a drone! More information forthcoming.

Thanks for Our Clean Roads

Volunteers like Gavin Lukacs help keep our roads cleaned up!

New Water Pump Planned

After extensive testing after the appearance of E-coli in water samples and enlisting the services of an environmental consulting firm, the Board has determined to permanently shut down the pump in Pumphouse 2 and dig a new well. Permitting with the DEP is under way and there's hope a new well will be drilled by early Spring.

Thanks to Charlie Priscu and Rick Barrett, who are overseeing this effort.

Road Cleanup and Beach Cleanup Coming Soon!

The month of April is traditionally our Spring Road Cleanup month. Watch for notices of the date set this year. Beach Cleanup will follow shortly on April 28, rain date the 29th.
