It's a Gusher!!

We now have a new well in progress, as the drill extended into the groundwater cistern and not just the shale crevices, which means the supply of water should prove abundant for years to come.

The next step is installing the piping to connect this new water supply to that of Pumphouse 1 and complete the permitting that will allow us to put the new well into service.

Congratulations to our Graduates!

Congratulations to Madison High graduates Carlin Collier, who will be heading to University of Alabama, and Scott Priscu, who will be heading to University of Maine in the fall. Congratulations also to Delbarton graduate Drake Mead, who will be playing football and studying at Williams College, Massachusetts.

Devon Hall will be transferring to Rutgers from Rowan and commuting. Julia Neigel-White announces her availability for babysitting services.

Please let Barbara Coe know of any other graduations or announcements that you have about our community members so we can include it in the Newsletter!

Road and Beach Cleanups Accomplished

Thanks to Ken Heiden, Roads Chair, for overseeing another successful cleanup on April 21st. A good turnout was followed by the traditional luncheon at the clubhouse, prepared by Dale Scolnick, Marcia Heiden, and Carl Bonar. Thanks to all who turned out!

After two rain-date postponements, Beach Cleanup was finally held Sunday, May 20. Leaf debris was raked from the swimming area, the diving board (temporarily?) removed, and a pizza lunch was enjoyed by all who turned out! Thanks to Fred Luberto, Beach Chair, for seeing this through under such challenging circumstances!

Beach badges have been distributed. Please remember to wear them and provide them to your guests. Our beach rules are in effect so be sure your children are supervised!

VSA Dinner Held June 3rd!

Thanks again to Bobbi Coulter and Carl Bonar for feting our community VSA volunteers with a special evening of gourmet dining! Hors d'oeuvres featured a smoked trout salad with cucumber wedges and feta-stuffed endive with lemon zest. The main course featured a superb Pork Loin Roast accompanied by a Savory Bread Pudding with wine gravy. As ever, an evening to remember and reward for volunteer efforts compiling the mandatory readings for our water system.

Drivers, Take Care!

Please take **extra care** to watch out for the younger walkers, runners, and bikers on our streets. Keep speeds down and caution up when behind the wheel!

Thanks for a Super Memorial Day Party May 27th!

A feast of "Beer-Can" chicken, BBQ ribs, and salmon were featured at the gathering, overseen by a hard-working and much appreciated committee: Austin & Rachel Brock, Dave Clark, Bill Haynsworth, Wendy & Trevor Hamilton, Alison & Feilim Maxwell, with extra assistance from Avery Hamilton, Brynn Lukacs, and Orla & Euan Maxwell. This was far beyond the hamburger/hotdog event one associates with Memorial Day cook-outs!

Special thanks to the committee and to all the fortunate guests who attended!

Upcoming Meetings

A special informal informational meeting will be held **June 13, 7:00 pm**, at the Clubhouse. (An earlier special meeting May 9th informed about issues concerning the water system upgrade, which is being overseen by Charlie Priscu and Rick Barrett. Notes of this meeting are posted on the MKL Web site.)

Please bring your questions and concerns to this meeting!

The Annual Meeting of the Country Club will be held **Thursday, June 21st**, preceded by a **TGIF**. Please come!

Our Newer Neighbors!

Peter and Nicole Johnson are at 79 Primrose Trail. Patti and Walter Groff are still working on 31 Lake Trail East. Valerie Hartwyk is renovating a house on Alpine Trail. Welcome, neighbors!
