**and**

**Thursday, December 13 at 7:30 p.m.**

Please plan to attend one of these important Inform Meetings to hear about proposed changes that will streamline the workings of the MKL Association and Lakeshore Company, and make your life easier! They involve shifting some responsibilities for community activities between the two organizations. There will be a presentation of the proposal, and time for questions and discussion. It is anticipated that the changes would be implemented through amendments to the organizations' By-Laws, to be presented for an approval vote at the Lakeshore Annual Meeting on January 19, 2008.

Please come --- we want your input! Refreshments will be served!
