Meander down its paths, streams, and roads and feast your eyes on this compact former farming community, recognized in both the National and New Jersey Registers of Historic Places. Appreciate the richness of the lands and varied architecture of its historic buildings. Come visit Harding soon through this colorful book to experience its rural charm and to enjoy its natural places.

An artistic photographer for decades, Jane Austin Kendall was quickly seduced by the beauty of rural Harding some 30 years ago, and her love affair has never stopped. Jane hopes *Rural Harding* will serve as an inspiration for lovers of Harding Township and as a call to action for other historic and rural communities to explore, preserve, and protect their rich heritage. Jane will be donating 50% of the net proceeds from this book to nonprofit organizations that care about the health and well-being of rural Harding.
