

Paying your Mount Kemble Lake Quarterly Dues gets easier and easier!

Are you comfortable with computers?

Do you check your email regularly?

Do you do any “online banking”?

If you answered yes to any of these questions, read on. There are new options for managing your dues here at the Lake. You can do one or more of any of the following:

- **Receive your quarterly invoices by email**

Just send a message to mkltreasurer@gmail.com to activate this option.

- You can continue to pay w/ a paper check
- or set up auto payments at your bank as described below

- **Set up routine auto-payments at your bank’s website**

Whether you receive your invoices by email or by hand delivered paper, you can automate your payments.

- Go to your bank’s website and login. If you’ve never used your bank’s website before, follow their simple online instructions for setting up a user name and password. (Remember to write them down and file them somewhere!)
- Set up repeating payments of \$775 to **arrive** each quarter by the 1st of the month (1/1, 4/1, 7/1 and 10/1) to Mount Kemble Lake Association, 3 Trails End, Morristown, NJ 07960. PLEASE NOTE, it takes most banks one full business week to cut and deliver a check. Set your payments up so that they are received at our mailbox by the 1st in order to avoid late fees and interest.
- Alternatively, set up repeating monthly payments of \$258.34 to be delivered by the 1st of EVERY month. You won’t get any special monthly invoices, but as long as a check is received by the 1st of each month, there won’t be any late fees or interest charges during the months that you are “behind.” Contact the treasurer at mkltreasurer@gmail.com to activate this option. [Monthly payments are only available for bank generated auto-payments and may involve a one-time “catch up” payment, depending on when you initiate the service.]
