April 19, 2012

Bob and I wish to thank our
Mount Kemble Lake friends for
the delicious dinner and beautiful
party that was held at the club-
house on Saturday, April 14th, 2012.

The stroll down memory lane
with a spectacular picture show
was a wonderful way to remember
more than fifty years of our lives
together, most of them spent here.

Fondly,
Maggie and Bob
