

Spring Road Cleanup

Saturday April 20, 2013

Please come to the **Clubhouse at 8:30** and enjoy some coffee, donuts, and bagels while you are assigned an area to cleanup.

We will be working on the Clubhouse property, playground, parking lot adjacent to the tennis court, the roads, drains and fire lanes.

Please bring rakes, blowers, tarps, clippers etc. and have your name on the tools you bring.

At **noon** there will be a lunch for all volunteers back at the Clubhouse.

On Monday, April 22nd , Chris Backshall will start to pick up the debris left on the sides of the roads. If you plan on putting your own debris on the sides of the road, please make separate piles for sticks and leaves and try not to block any drains. When putting out sticks and branches please put the larger side facing the roads. (this allows for quicker chipping)

Any time you can give would be greatly appreciated. Contact Tim Lukacs (425-0225) with any questions.
