

# LEARN TO DANCE TGIF CLUBHOUSE EVENT

## Are you interested???

We're thinking about bringing dance lessons to the MKL Clubhouse starting in January and continuing until we have interest. Lessons would begin at 7pm with 1 hour of instruction, then additional dance, food and drink to follow. \$20/couple per class and a 'simple' dinner.

Check your calendars and *please* RSVP if you're interested. We need to know whether we have enough interest. Also, if you'd like to help, let us know! Food will be low-key (and TBD).

Thank you, Nancy Witwer & Mary Luberto
