

Generator Operational, at Last!

Final inspections and approvals for operating our new generator have been completed, and the unit has been up and “running” since early September— with hopes that we won’t need to be using it (weather permitting!).

Thanks to Water Chair Rick Barrett for overcoming the numerous obstacles for obtaining and installing this natural gas-powered generator so we will be assured of a continuous water supply regardless of future power failures.

Our Clubhouse Is Newly Painted

Robert Edgar, Clubhouse Maintenance, reports that the Clubhouse exterior has been newly painted.

Grounds Maintenance

Joan Haynsworth thanks Ken Heiden for refurbishing the children’s playground equipment and George Kuchler for repairing the light on the flagpole. Your help is greatly appreciated!

Missing Robert Plum

The Community extends heartfelt condolences to Gail Chalfant on the loss of Robert, who died suddenly on August 13th. A memorial service was held in Morristown at the St. Peter’s Episcopal Church and many residents attended. The shock of his sudden departure is still being felt in the community, and especially by Gail. Please keep her in your thoughts.

Party Ideas and Volunteers Needed!

Our new Country Club Social Chair Wendy Hamilton has created a new email for Country club and Community announcements. Please email her at mklcountryclub@gmail.com or call her at 539-1029 to suggest or volunteer for an event at the Clubhouse. Joining a committee with neighbors is an enjoyable way to get to know each other and appreciate the benefits of our Community.
