The Holidays Are Here!

The annual Holiday Open House was held in the Clubhouse on Saturday, December 13, and a great crowd of families attended to savor the sumptuous array of hors d'oeuvres, entrees, and desserts.

Thanks to the hard-working Committee, chaired by Bill & Joan Haynsworth—Alison & Feilim Maxwell, Wendy & Trevor Hamilton, Ruth & Fenton Chaney, Dave Clark & Tawnya Kabnick, Ellie & George Burd, Mike Witwer, Joe Tesi, Carl Bonar, et. al.—for brightening the holiday season for the Community!

Board Elections!

Ballots for the election of new members to the Association board have been distributed in your mailboxes. Please return your marked ballots to Secretary Tawnya Kabnick's mailbox on Beach Trail **by December 20.**

If you are interested in working on any of the Association committees, please let Tawnya know and she will forward the information to the appropriate chair.

Fall Road Cleanup Held

Road Cleanup on November 22nd succeeded in keeping our leaf/branch surplus in check for the season. It is now housed behind the garden, where it is composting for future use.

Thanks to Tim Lukacs for organizing the cleanup, and to Carl Bonar and Dale Scolnick for feeding the workers so well! And thanks to all our volunteers for their hard but rewarding work!
